GAUGE

24 sts and 35 rows in stockinette st with needles no. 3,5
= 10 x 10 cm.

SWEATER

With needles no. 3 cast on 136 (136 - 140 - 144 - 146 - 148) sts and join to work in the rnd, ensuring there are no twists and pm for BOR. Work 3 cm in 1x1 rib stitch. Switch to needles no. 3,5 and k 1 rnd, at the same time pm for the raglan sts as follows: k 22 (22 - 24 - 25 - 26 - 28), pm, k2, pm, k 20 (20 - 18 - 18 - 16 - 14), pm, k2, pm, k 44 (44 - 48 - 50 - 54 - 56), pm, k2, pm, k 20 (20 - 18 - 18 - 16 - 14), pm, k2, pm, k 22 (22 - 24 - 25 - 26 - 28). Continue working in stockinette st and work increase rnds 31x (33x - 36x - 39x - 45x - 51x) = 384 (400 - 428 - 456 - 506 - 556) sts. The sleeve increases are now completed so keep increasing 0x (3x - 2x - 3x - 2x - 1x) 2 sts each on front and back only (+4 sts per increase rnd). Continue raglan pattern as usual but avoid any more sleeve increases by working rnds 1, 3 and 5 as fol-

lows at the beginning and end of each sleeve:

work until m as per instructions, yo, slip m, k2together, slip m, yo = 384 (412 - 436 - 468 - 514 - 560) sts.

Put sleeve sts on hold as follows and at the same time remove all markers except for BOR: work in stockinette st until m, remove m and k2 (= 1st half of back), cast on 5 (5 - 6 - 6 - 6 - 6) sts, put 82 (86 - 90 - 96 - 106 - 116) sts on hold (= right sleeve), stockinette st until the next m, remove m and k2 (= front part), cast on 5 (5 - 6 - 6 - 6 - 6) sts, put 82 (86 - 90 - 96 - 106 - 116) sts on hold (= left sleeve), work in stockinette st until BOR (= 2nd half of back).

Body: Continue working in stockinette st over all 230 (250 - 268 - 288 - 314 - 340) sts. In a total height of 48 (50 - 52 - 54 - 56 - 58) cm switch to needles no. 3 and work 3 cm in 1x1 rib stitch. Loosely bind off all sts.

Sleeve: Put sleeve sts back onto short circular knitting needles/ double pointed needles no. 3,5 and pick up 5 (5 - 6 - 6 - 6 - 6) sts from underarm cast on and at the same time pm before and after the middle st (before and after the middle st - after the 3rd st - after the 3rd st - after the 3rd st - after the 3rd st) = 87 (91 - 96 - 102 - 112 - 122) sts. Continue working in stockinette st. Work a k2together after the marker and a k2together through the back loop right in front of the marker at the end of the rnd. Repeat these decreases on every 7th (6th - 7th - 6th - 5th - 4th) rnd up until a total sleeve length 40 (39 - 38 - 36 - 35 - 31) cm measured from underarm cast on.

Switch no needles no. 3 and work 3 cm in 1x1 rib stitch. If there's an odd number of sts, work a k2together once at the end of 1st rnd. Loosely bind off all sts.

Finishing: Moisten, block and let the sweater air dry.

Tip:

Body and sleeves can be knitted longer or shorter depending on your style and measurements. It's worth trying on the cardigan every now and then to determine the perfect length.

GAUGE SWATCH

Make a gauge swatch! To do this, knit a 12 x 12 cm piece in the given pattern of your chosen design. Then count stitches and rows in a 10 x 10 cm area. If there are fewer stitches or rows than stated in the instructions: Knit tighter or use thinner needles (size down half to a full needle size). If you count more stitches or rows: Try to knit more loosely or use thicker needles.

Attention: The gauge information on the banderoles of the yarn is given using plain stockinette stitch and should not be considered definitive. For a perfect piece, the gauge in the given pattern is a must. So your desired design not only looks beautiful, but also fits!
