MATERIALS

Lana Grossa **MEILENWEIT 100G COSY SOCKS**

70 % Virgin wool, 30 % Polyamide

Meterage: approx. 400 m / 100 g

- **100 g** white (col 10)
- **100 g** beige (col 9)
- **100 g** light gray (col 8)
- double pointed needles no. 2,5

STITCH PATTERNS

1x1 rib st in rnds: *k1, p1* rep cont

Stockinette st in rnds: k all sts

Stockinette st: RS-row: k, WS-row: p

German short rows with double st (DS):

K the specified number of sts including the last st as usual and turn work. Sl 1 st p-wise, pull the yarn very tightly from under the needle towards your face, and then away from you, pulling the st so that it has two legs - or appears to be a „double“ st. To resolve a DS insert your needle into both legs of the DS, k or p them together according to pattern.

Stripe sequence 1 (Leg): *7 rnds beige, 7 rnds white*, rep 2 more times, 7 rnds light gray, 7 rnds white, 7 rnds light gray, 3 rnds white

Stripe sequence 2 (Foot): 2 rnds white, 7 rnds light gray, 7 rnds white, 7 rnds light gray

7 rnds white, 7 rnds beige, rep until desired foot length is reached. ⓘ

Tip: for a jogless color change work the 1st rnd of each stripe as usual, lift the 1st st of the previous rnd onto the left needle and ktog with the 1st st of the current rnd.

GAUGE

28 sts and 40 rows in stockinette st with needles no. 2,5 = 10 x 10 cm

SOCKS

Cuff: Cast on 60 sts in white, evenly distribute them onto 4 needles and join to work in the rnd = 15 sts per needle. Pm for BOR and work 16 rnds (= 4 cm) in 1x1 rib st.

Leg: Work in stockinette st according to stripe sequence 1 = 66 rnds.

German short row heel: with white work in stockinette st in rows across needle 4 and 1. Evenly distribute the 30 heel sts into three parts (= 10 sts each) and work german short rows.

Row 1 (RS-row): K all sts on needle 4 and 1, turn work.

Row 2 (WS-row): DS, p all sts on needle 4 and 1, turn work.

Row 3 (RS-row): DS, k up to the previous DS, turn work.

Row 4 (WS-row): DS, p up to the previous DS, turn work.

Rep rows 3 + 4 until there are: 10 DS, 10 regular st, 10 DS. Now k 2 rnds across all sts whilst resolving all DS on the 1st rnd. Now work german short rows again:

Row 1 (RS-row): K all heel sts of the 1st two thirds (= 20 sts), turn work.

Row 2 (WS-row): DS, p up to and including the last st of the middle third, turn work.

Row 3 (RS-row): DS, k up to the previous DS, resolve DS, k1, turn work.

Row 4 (WS-row): DS, p up to the previous DS, resolve DS, p1, turn work.

Rep rows 3 + 4 until there are 10 DS worked on each side. The following row is a RS-row.

Foot: Work across all sts in stockinette st and according to stripe sequence 2. Cont until foot measures 20 cm.

Toe: Work all sts in stockinette st and white. Work decreases as follows:

Needle 1 + 3: work until the last 3 sts of needle, k2tog, k1

Needle 2 + 4: k1, skpo (sl 1 st k-wise, k1, pass sl st over).

Work decreases one more time on the 4th rnd, then 2x on every 3rd rnd and 3x on every other rnd. Now decrease on every rnd until there are 8 sts total left. Cut yarn, weave twice through all sts, pull tight and tie a knot. Weave in ends.

GAUGE SWATCH

Create a gauge swatch! To do so knit a 12 x 12 cm piece in the given stitch pattern of your chosen design. Then count stitches and rows within a 10 x 10 cm area. In case there are fewer stitches or rows than stated in the instructions: Knit more tightly or use smaller needles (half to a whole needle size smaller). If you count more stitches or rows: Try knitting more loosely or use larger needles.

Note: Knitting results will vary. The gauge information on the yarn's band is based on plain stockinette stitch and should not be considered definitive.

For a perfect piece making a gauge swatch in the given stitch pattern is essential so your desired design will not only look beautiful but also fit well!
